

Chinese Barbie

1. Paint with nail polish and let it dry.
2. Very carefully pierce the nail at the corner. To avoid from cracking or break the colorpops, heat the piercing tools with lighter.
3. Put the earring stud on it, and to make it stayed at the position, use nail gel topcoat to stick it. Burn in UV light for 3mins.
4. Wipe off the sticky layer, and put the nail gel on the place that where the flower decals like to put on. Burn in UV light for 3mins.
5. Wipe off the sticky layers, and to make it look glossier on the flower decals, use topcoat to cover.
